IN MEMORIAM

Samuel Wesley Powell, Jr.
(1915 - 1981)

Governor Samuel Wesley Powell, Jr. was born in Portsmouth in 1915. A lawyer, he was an able and independent politician whose career spanned four decades. He served as Governor from 1958 to 1962. He was the only NH Governor to serve as chairman of the U.S. Governor's Conference. For all his travels and experiences he often said he felt happiest when he was in his native state and with his family.

IN MEMORIAM

Almon W. Creighton
1907 - 1980

Almon Creighton was born October 31, 1907 at the same location at which he died on November 29, 1980. Almon had spent his whole life as a resident and dedicated citizen of Hampton Falls. He served as custodian of the Town Hall and Free Library as his brother Jim had before him. He also had been a dependable worker at the Town Recycling Center and was always available to be of help to the town in any capacity he could serve. Almon will be remembered as a true friend and concerned citizen of Hampton Falls.

HAMPTON FALLS TOWN MEETING MARCH 14, 1980

The adjourned meeting of the Town Meeting, 1980 was called to order by Moderator Richard Bohm on Friday, March 14, at 7:00 p.m. Moderator Bohm called for the salute to the flag. He read the election results and made the following rules:

1. Once an article taken up in the budget or in the warrant is finished, no further action may be taken on it with the exception or one reconsideration in case of error or misunderstanding.

2. There will be a limit of 2 amendments to any article or any motion or part of a specific article.

3. Any lengthy motion shall be submitted to the Moderator in writing.

4. The chair will recognize first the sponsor of any article or item in the warrant first.

Article 2 - Budget

Jerome Healey moved that the town raise and appropriate the sum of \$12,500 for Town Officers' salaries. Seconded by Harrison Biggi. Passed.

William Marston moved that the town raise and appropriate the sum of \$2,500 for Election and Registration expenses. Seconded by Harrison Biggi. Passed.

Jerome Healey moved that the town raise and appropriate the sum of \$3,000 for Expenses town hall and other buildings. Seconded by Harrison Biggi. Passed.

William Marston moved that the town raise and appropriate the sum of \$250 for Care of town clock. Seconded by Jerome Healey. Passed.

Harrison Biggi moved that the town raise and appropriate the sum of \$22,500 for Police Department. Seconded by William Marston. Passed.

Robert Woodes moved that the town raise and appropriate the sum of \$6,000 for Fire Department. Seconded by Jerome Healey. Passed.

Jerome Healey moved that the town raise and appropriate the sum of \$2,500 for Planning and zoning. Seconded by Harrison Biggi. Passed.

Harrison Biggi moved that the town raise and appropriate the sum of \$11,500 for Insurance. Seconded by Jerome Healey. Passed.

Jerome Healey moved that the town raise and appropriate the sum of \$100 for Civil Defense. Seconded by William Marston. Passed.

William Marston moved that the town raise and appropriate the sum of \$75 for the Conservation Commission. Seconded by Harrison Biggi. Passed.

Kenneth Allen moved that the town raise and appropriate the sum of \$5,600 for Mosquito Control. Seconded by Jerome Healey. Passed.

Harrison Biggi moved that the town raise and appropriate the sum of \$4,000 for Fuel Account for town vehicles. Seconded by Jerome Healey. Mr. Biggi announced that a 1000 gallon gas tank had been installed at the town dump for use of town vehicles to be sure of availability of gas.

Jerome Healey moved that the town raise and appropriate the sum of \$3,000 for Ambulance. Seconded by William Marston. After discussion concerning the possibilities of dealing with the present company providing service, EMT of Exeter or going with the Town of Hampton ambulance, Donald Janvrin made the following motion to raise and appropriate the sum of \$100 for Ambulance. Seconded by Charlyn Brown. Passed.

William Marston moved that the town raise and appropriate the sum of \$75 for Vital Statistics. Seconded by Harrison Biggi. Passed.

Jerome Healey moved that the town raise and appropriate the sum of \$27,300 for Rubbish Disposal. Seconded by William Marston. Gordon Janvrin questioned the increase. Jerome Healey explained the current rate was figured on 410 households and they expected the number of households to increase to approximately 420 households. Collection fee will go up also due to increase in cost of gasoline. Total also includes electricity bill at town dump and cost of maintenance of brush disposal at dump. The motion passed.

Harrison Biggi moved that the town raise and appropriate the sum of \$26,000 for Town Maintenance. Seconded by Jerome Healey. Passed.

William Marston moved that the town raise and appropriate the sum of \$1,300 for Street Lighting. Seconded by Harrison Biggi. Passed.

Jerome Healey moved that the town raise and appropriate the sum of \$35,000 for General Expenses of Highway Department. Seconded by William Marston. Passed.

Gordon Janvrin moved that the town raise and appropriate the sum of \$8,375 for Town Library. Seconded by Ruth Blatchford. Jerome Healey amended that motion to read raise and appropriate the sum of \$8,425 and the amended motion was seconded by Charlyn Brown. Passed.

William Marston moved that the town raise and appropriate the sum of \$1,500 for Town Poor. Seconded by Harrison Biggi. Passed.

Harrison Biggi moved that the town raise and appropriate the sum of \$2,000 for Old Age Assistance. Seconded by Jerome Healey. Passed.

Jerome Healey moved that the town raise and

appropriate the sum of \$230 for Memorial Day Expenses. Seconded by Harrison Biggi. Passed.

William Marston moved that the town raise and appropriate the sum of \$1,000 for Parks and Playground. Seconded by Jerome Healey. Passed.

Jerome Healey moved that the town raise and appropriate the sum of \$2,000 for Cemeteries. Seconded by William Marston. The increase it was explained was due to the expense of clearing the new land purchased for additional cemetery space. Passed.

Harrison Biggi moved to raise and appropriate the sum of \$8,500 for Damages and Legal Expenses. Seconded by Jerome Healey. The selectmen were asked by George Merrill if the town ever collects from the owners of dogs responsible for the damage to livestock? The selectmen replied that in some cases it was next to impossible to really know whose dog had done the damage. In cases where they are sure the owners are billed. If payment is not received they consider bringing the matter to court.

William Marston moved to raise and appropriate the sum of \$3,000 for Employees' retirement and Social Security. Seconded by Harrison Biggi. Passed.

Jerome Healey moved to raise and appropriate the sum of \$100 for Senior Citizens. Seconded by William Marston. Passed.

appropriate the sum of \$5,000 for Interest on temporary loans. Seconded by Harrison Biggi. Passed.

Harrison Biggi moved that the town raise and appropriate the sum of \$1,500 for Town Forest. Seconded by Jerome Healey. The motion was amended by George Merrill to read \$50 for Town Forest. Seconded by Cynthia Trumbull. Passed. Forty-one, yes and 38, no.

Articles 3 through 10 were zoning articles voted upon by ballot. Results are shown with the election results.

Article 11 - Renovations to Town Hall

Harrison Biggi moved that the town raise and appropriate the sum of \$30,000 for the renovation of a portion of the Town Hall for municipal offices. Seconded by Jerome Healey. George Merrill told the meeting that he felt this approach was a band-aid approach and very unwise. He favored building a separate building. Mr. Biggi explained just what the selectmen had in mind for the building and a sheet showing the town hall was passed out. Following more discussion during which many alternatives were given including using the building at the town dump a vote was taken and the results were 44, yes and 35, no. The article passed.

Article 12 - Note for Town Hall Renovations

Jerome Healey moved that the town authorize the Selectmen to issue a note of the Town of Hampton Falls (for the Town Hall renovations) in principal amount not to exceed Fifteen Thousand Dollars (\$15,000) in accordance with Chapter 33 of the Revised Statutes of 1955 payable exclusively from funds raised by taxation, interest payable semi-annually, principal payable in one installment of Fifteen Thousand Dollars (\$15,000) being due one year from date of such note. Seconded by Harrison Biggi. A vote was taken by yes and no ballot as determined by the Moderator. The results were 57, yes and 34, no. Since there was not a 2/3 vote the article did not pass.

Article 13 - Town Clerk/Tax Collector

William Marston moved that the town vote to combine the office of Town Clerk with the office of Tax Collector thereby creating a new office of Town Clerk-Tax Collector to be held by one individual, in accordance with New Hampshire RSA 41:45-a (1975 Supp.) This individual would be elected at

the March, 1981 Town Meeting for a three-year term. Seconded by Jerome Healey. After some discussion the vote was taken and the article did not pass.

Article 14 - Sale of Can Crusher and Front-end Loader

Harrison Biggi moved that the town vote to authorize the Selectmen to sell the Town-owned can crusher and the front-end loader/tractor in accordance with competitive bidding procedures. Seconded by Jerome Healey. The motion passed.

Article 15 - Fire Truck

Jerome Healey moved that the town vote to authorize the acceptance from the Hampton Falls Volunteer Fire Department of a 1974 Howe Fire Truck (750 gallon pumper). Seconded by Andrew Drakides. Passed.

Article 16 - Rockingham Child and Family Services

Jerome Healey moved that the town vote to raise and appropriate the sum of \$274 to assist Rockingham Child and Family Services, a private, non-profit organization. Seconded by William Marston. The work of the organization was explained by Rosemary Coffin. The motion passed.

Article 17 - Seacoast Regional Counseling Center

William Marston moved that the town vote to raise and appropriate the sum of \$500 for the support of the Seacoast Regional Counseling Center. Seconded by Jerome Healey. The article did not pass.

Article 18 - Municipal Coastal Planning Grants

Harrison Biggi moved that the town vote to authorize the Selectmen to apply for, accept, and expend (up to \$20,000) in Municipal Coastal Planning Grants as authorized and approved under the New Hampshire Coastal Resources Management Program. Seconded by Jerome Healey. Passed.

Article 19 - New Hampshire Highway Safety Agency Funds

Jerome Healey moved that the town vote to authorize the withdrawal of funds from the New Hampshire Safety Agency for use as set-off against the police or highway budgets of the Town. Seconded by William Marston. Passed.

Article 20 - Town Road Aid

William Marston moved that the town vote to raise and appropriate the sum of Four hundred and four dollars and fifty-

four cents (\$404.54) for Town Road Aid; the State to contribute two thousand six hundred and ninety six dollars and ninety-six cents (\$2,696.96). Seconded by Harrison Biggi. Passed.

Article 21 - Anti-Recession Fund

Harrison Biggi moved that the town vote to appropriate and authorize the withdrawal from the Anti-Recession Fund established under the provisions of the State and Local Assistance Act of 1972 for use for the following specific purposes and in amounts indicted herewith or take any other action hereon:

Appropriation	Amount
Town Officers Expenses	\$700.00

Seconded by Jerome Healey. Passed.

Article 22 - Revenue Sharing Fund

Jerome Healey moved that the town vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in amounts herewith or take any other action hereon:

Appropriation	Amount
General Highway - Repaving	\$10,000.00

Seconded by Harrison Biggi. Passed.

Article 23 - Federal, State and Local Grants-in Aide

William Marston moved that the town authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town, such advances, grants-in-aide, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State and local and private agencies that would be of benefit to the town. Seconded by Harrison Biggi. Passed.

Article 24 - Borrow Money

William Marston moved that the town vote to give the Selectmen authority to borrow money in anticipation of taxes. Seconded by Francis Ferreira. Passed.

Article 25 - Other Business

Paul Montrone moved that the attached letter be sent to

the Governor. Seconded by Russell Merrill, Jr. Passed.

John Parker made the attached resolution and it was seconded by Roberta Pevear. Passed.

Shirley Gustavson nominated Mr. and Mrs. Lincoln Harrington to serve as Hog Reeves for the coming year. Seconded by Cynthia Trumbull. The Moderator declared the nominations closed and Mr. and Mrs. Harrington were declared the winners by vote of those present.

Francis Ferreira moved that the 1980 Town Meeting be closed in honor of two distinguished townspeople, Martha Batchelder and John Fogg. Seconded by Jerome Healey. Passed.

The meeting was declared adjourned at 10:41 p.m. by Moderator Richard Bohm.

TOWN MEETING

Dear Gov. Gallen:

Last year you signed legislation designed to veto CWIP. This legislation has had several direct effects on us as consumers.

These are as follows:

1) Public Service has attempted to reduce its ownership in Seabrook from 50% to 28%. If its efforts are successful we will have the Seabrook Nuclear Power Plant in our neighborhood, but the majority of it will be owned by power companies outside the state.

2) Public Service's financing costs have risen dramatically. Since we as consumers ultimately pay these costs, when Seabrook finally does come on line our power costs will be much higher than they otherwise would have been.

3) Public Service requested and received a rate increase of 5.5% and it has requested that this be increased to 8.5%. It

recently increased its rates to Exter & Hampton Electric by 9%.

4) Our "Fuel Adjustment Clause" has more than doubled in the past 12 months and is likely to continue to take giant leaps as increased power demands are met with more imported oil.

In summary, the steps you have taken have resulted in immediate and dramatic increases in our utility rates, a guarantee that our nuclear power costs will be higher and the presence in our neighborhood of a nuclear power plant with the majority of its power going out of state. Is this your idea of good leadership in Government?

Citizens of Hampton Falls

Resolution submitted by John Parker, Town Meeting

WHEREAS Public Service Company plans to request this spring from the Nuclear Regulatory Commission (NRC) an operating permit for Seabrook Station Unit 1, which is planned for start-up in April 1983

and WHEREAS the NRC requires the state and the utility to certify that a feasible evacuation plan is in place as one condition for an operating permit,

THEREFORE BE IT RESOLVED that the citizens of Hampton Falls at our annual town meeting, March 14, 1980 have voted favorably to advise the NRC that we are in opposition to the issuance of any operating permit for Seabrook Station Unit 1 because the required evacuation plan cannot be carried out safely and successfully for the following reasons:

1 - Limited escape routes exist for the estimated 80,000 year round residents and the 200,000 additional summer and transient populations in the coastal area. These routes will not be mitigated by construction of any new roads and bridges across marshlands in view of economic, environmental and esthetic factors;

2 - The radius of evacuation is limited. Originally the Atomic Energy Commission guideline required an evacuation of

persons within a 5 mile radius. Its successor agency, the NRC now requires a 10 mile radius. Yet an NRC committee draft report recommends a 30 mile radius. And the Massachusetts Civil Defense is planning on a 50 mile radius from the plant in Plymouth;

3 - There is insufficient time to evacuate safely the beaches. In 1974 Public Service Company estimated a maximum of 8 hours, based on a 5 mile radius. When the company later reduced the time to about 3 hours, it was disputed by State Police Captain Iverson, who estimated a time of 6 to 7 hours. We note that the Three Mile Island (TMI) accident came between 30 and 60 minutes of a complete meltdown;

4 - The expense to test an evacuation plan is prohibitive. The NRC needs \$100 million for such tests and proposes a levy of \$1 million per utility to pay for them;

5 - The expense to evacuate in a severe accident is intolerable. An independent survey for the NRC found that an estimated 144,000 people left the TMI area, costing those residents in expenses and lost wages, \$18.2 million;

6 - It is questionable whether people would obey an evacuation order. Mr. Hayden (N.H. Civil Defense) estimates 15% would refuse to obey in a military nuclear attack. During Hurricane David last Sept 4, 5000 people ignored such an order in Georgia and South Carolina;

7 - Many coastal legislative and municipal officials declare that this area cannot be evacuated adequately. They include Selectman Healey (Hampton Falls), the Board of Selectmen (Hampton), Selectmen Morang and Patterson (Rye) and Representatives Pevear (Hampton Falls), Keenan (Seabrook) and Dunfey and Parr (Hampton). Also, a letter to President Carter (Nov 15, 1979), 32 state legislators told him that "... a serious question exists as to whether such speedy evacuation would indeed be possible."

And that further, we request the selectmen to expend no town funds to plan for an evacuation with respect to Seabrook Station although we recognize that the state and federal governments may do so; and that further, copies of this resolution be forwarded, upon passage, to the NRC, the Governor and the director of N.H Civil Defense.

TOWN WARRANT

TOWN BUDGET

of the Town of Hampton Falls, NH

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM 10 A.M. to 8 P.M.

To the inhabitants of the Town of Hampton Falls in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Hampton Falls on Tuesday, the tenth day of March, next at Ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. WARRANT ARTICLE - To see if the Town will vote to amend Building Regulations, Section 6 - Structural Requirements by adding a new Sub-Item "P". (Current Sub-Item "P" shall be thereafter designated as Sub-Item "Q" without other change.):

Fencing of wood, metal and other effective construction, not less than four (4) feet from grade level to top, and of such design as to preclude the unknowing passage of persons, shall be provided such as to totally enclose an in-ground type swimming pool, whether or not on a residential property, including such pools that may be constructed or installed for demonstration or other sales purposes; any gates or other passages in such fencing shall be of similar construction and equipped with effective self-closing hardware.

4. To see if the Town will vote to establish wage scales as follows:

Tax Collector	\$1,500.00 Annually
Treasurer	1,300.00 Annually
Custodian, Town Hall	530.00 Annually
Moderator	5.00 Hourly
Ballot Clerks	4.25 Hourly
Selectmen	5.00 Hourly
Road Agents	5.00 Hourly
Police Officers	5.00 Hourly

Auditors	5.00 Hourly
Town Clerk	5.00 Hourly
Laborers	4.25 Hourly
Assistant Town Clerk	4.50 Hourly
Supervisors, Check List	4.25 Hourly

5. To see if the Town will vote to authorize the Board of Selectmen to grant one or more franchises to operate a cable television system in the Town of Hampton Falls, said authorization to encompass the setting of such conditions as the Board shall deem necessary and appropriate. Said conditions may include setting of subscription or service rates to citizens and franchising fees to the Town to the extent that they are not inconsistent with New Hampshire RSA Chapter 53:C and the rules and regulations of the Federal Communication Commission.

6. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of the Seacoast Regional Counseling Center.

7. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes by five percent and to limit the annual increase in spending by the state or any city, town, or other governmental unit of the state to five percent.

8. To see if the Town will vote to raise and appropriate the sum of Four hundred and thirty-three dollars and three cents (\$433.03) for Town Road Aid; the State to contribute Twenty-seven hundred thirty-six dollars and ninety-two cents (\$2,736.92).

9. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in amounts herewith or take any other action hereon:

Appropriation	Amount
General Highway-Repaving	\$10,000.00

10. To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town, such advances, grants-in-aide, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State and local and private agencies that would be of benefit to the town.

11. To see if the Town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

12. To transact any other business that may legally come before this meeting.

It is planned to adjourn the business session of the Town Meeting until seven o'clock p.m., March 13, 1981 at the Leavitt Brown Gymnasium in the Lincoln Akerman School.

Polls will not close before eight o'clock p.m., March 10, 1981.

LIBRARY TRUSTEES' REPORT FOR 1980

During 1980, there were several improvements in the library facilities including a new flush toilet, a new clock, a new card file and table and new signs outside the library. The Trustees would like to thank the Grange & Friends for all their assistance and Louis Janvrin for the construction of the table and top.

We would like to remind residents that a display case is available for showing of collections, memorabilia, etc.

The library sponsors story hour for pre-schoolers, summer reading programs and Library week programs. Over 600 books were added during the year and we encourage all to use the facilities. The library is open fifteen hours each week and the time schedule is posted outside.

Our special thanks go to the librarians and helpers who make the operation so successful.

THE ANNUAL 1980 REPORT OF THE FIRE DEPARTMENT OF HAMPTON FALLS, NH

To the citizens of Hampton Falls:

We have had another busy year for fire calls, about one call a week, but it is encouraging to note that there were no structure fires.

I would like to express my thanks to the many volunteers for the time they have donated, not only for responding to fires, also for keeping the equipment and the fire station in great condition.

I would also like to thank the Ladies Auxilliary for their hard work and co-operation in the many fund raising projects during this year. Also thanks to the other organizations, businesses, and citizens of Hampton Falls for their generous donations.

Again, I thank everybody for their support and may 1981 be as successful as 1980.

Respectfully submitted
Robert G. Davies
Fire Chief

ANNUAL POLICE REPORT

1980 showed a marked increase in almost all Police Department activity. One of the few decreases was in motor vehicle accidents. They were down 15 from last year, however two of the accidents involved fatalities. To help make our roads safer for travel the Town has put up new warning signs in problem areas.

The areas of police activity that showed major increases are in burglaries, property checks, and alarms answered. Much of this can be attributed directly to the economy. With the financial picture the way it is, burglaries are on the increase in our town as they are throughout the Seacoast area. Property checks are a direct result of this as many more people are asking us to check their homes while they are away. Also we have had an increase of about twenty alarms installed in homes during the past year.

I wish to thank the members of this department along with the Sheriff's Department, the State Police, and our Fire Department for their help during the past year.

The following listed activities occurred in 1980:

Abandoned cars	6

REPORT OF THE CONSERVATION COMMISSION

1980

During the past year we have welcomed four new appointments to the Commission. Names and terms are listed elsewhere in the Town Report.

A number of regional meetings and workshops have been attended by the members during the past several months.

Assistance has been requested from the DRED Division of Forests and Lands for advice on long term management goals for the Town Forest.

As they become available we have furnished wild life, river system, and wet land posters to the school and library. In the coming year we hope to establish a read file of incoming publications at the library prior to placing them in the Conservation Commission files.

In September we held our first "Fall Walk". We hope to make this an annual event along with one each spring to acquaint interested townspeople with the natural beauty of some of the more secluded areas in Town. It was during this walk that the site of the Chesterman Memorial Area was decided upon.

We were disappointed at the reduction of the Town Forest Reserve Fund request at the last Town Meeting to \$50.00. This amount of money would not buy a shovel full of earth, and with open space slipping away at such a startling rate we feel that this fund should stay healthy so we are in a position to acquire a small scattering of areas as they might become available from time to time over the years; subject of course to a vote of the Town. This belief is further strengthened by the Summary of Recommended Actions in the Master Plan prepared by the Planning Board. We will continue to study such areas brought to our attention as worthy of preservation.

This spring we will take on once again, sponsorship of the annual Town Road Cleanup. It will be publicized in advance and we enlist your support.

REPORT OF THE COMMISSIONERS OF THE SOUTHEASTERN NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

A full agenda of work was performed in 1980 by the Commission staff, guided by town appointed commissioners from the member towns. This included planning for economic development, public transportation and action on many applications for federal funding of projects as well as for dredge and fill proposals. Work was also begun on a water resources management project with particular attention to hazardous waste as it relates to drinking water and watershed maintenance.

Other work of interest included a survey in Atkinson for historic preservation, designed to serve as a model for six other towns in the region which have requested such help. As with all other activities of the Commission, this is available to our town if we want it. Two new policies were adopted, one dealing with hazardous waste, the other with water resources management.

The staff is especially competent in the technical aspects of master plans and zoning ordinances. They assisted 13 towns last year, including Hampton Falls. The town planning board has now completed a thorough updating of our Master Plan and that will be voted on at the 1981 town meeting.

For the most part, the work of the Commission is supported by various federal grants, with smaller contributions by the state and member towns. Since 1971 we have been able to keep local payments at a per capita rate of 60 cents (for us in FY 1981-1982, \$819). We hope you will again find the Commission's expertise a worthwhile investment.

Commission meetings are held on the second Thursday of the month at 7:30 PM on a rotating basis in the member towns. We invite all citizens to attend although one is advised to check first the agenda (call us) because some of the meetings are downright dull. We welcome your inquiries about our work. All complaints may be registered with Ms. Pevear.

SEACOAST VISITING NURSE ASSOCIATION 1979 - 1980

Fiscal Year: 1979-1980	1978-1979
Total Calls: 10,239	8,973
Hampton Falls: 797	654

During fiscal year July 1, 1979 to June 30, 1980, 797 calls were made to residents of Hampton Falls:

Nursing	479
Physical Therapy	151
Aide	167

Of these calls 188 were made free of charge or at a reduced fee. It remains the policy of the Agency that no one is refused service because of inability to pay. Fees are scaled or care is provided on a no charge basis when necessary.

Currently 11 children are enrolled in our Well Child Clinic. Clinics are held twice a month and are staffed by a Pediatrician and a Pediatric Nurse Practitioner as well as Agency nurses. Children from birth to 6 years of age are seen on a regular schedule for physical examinations, blood tests, immunizations, counseling, developmental testing, vision and hearing screening, urine tests and lead screening. In addition, children between ages of 3 and 6 are seen twice a year at our Dental Clinic by Dental Hygienists employed by the state. The children are referred to local dentists for treatment when necessary at no cost to the family.

On the second Tuesday of every month, in conjunction with the Grange, we hold a blood pressure screening at the Hampton Falls library. Hampton Falls residents are also welcome to attend our clinics in Seabrook at the Trinity United Parish House, the first Tuesday of each month or following the Senior Citizen meetings the second Thursday of the month at the United Methodist Church in Hampton.

Our staff consists of 6 full time R.N.'s, 4 part time R.N.'s, 1 Physical Therapist, 1 full time aide, 1 full time bookkeeper, and 1 part time secretary. We also contract with the Area Homemaker/Home Health Aide Agency which enables us to provide aides and homemakers to local residents when needed.

Although our budget has increased, the Board of Directors has voted not to ask the local towns to increase their

appropriations based on updated population figures this year.
Thus, we are asking the Town of Hampton Falls for \$1,389.00.

**1980
ANNUAL REPORT
HAMPTON FALLS
MOSQUITO CONTROL DISTRICT**

The summer of 1980 marked another step forward for mosquito control in the New Hampshire Seacoast area. For the first time, 3 towns, Hampton Falls, Exeter and Newfields, joined together to form a cooperative, single-manager type control district. By combining our resources under the able direction of Mr. Thomas "Jude" Boucher we accomplished the goals set forth in last year's annual report, namely the establishment of a stable, well trained work force along with more efficient and effective mosquito control. Although \$5,600.00 was originally budgeted, good management resulted in actual expenditures of approximately \$4,500.00

As a result of our joint efforts, workers began combining the fresh-water breeding sites in early April, and while many areas have yet to be reached, substantial progress was made in controlling the early breeding freshwater species that have gone virtually untouched in the past. We were able to respond effectively to the requests of several Town residents, and of course will continue to welcome requests for assistance from other citizens this coming year.

Control efforts on the saltmarsh breeding areas remained essentially the same as last year, although increased experience and more sophisticated survey data made it possible to utilize less frequent and more selective applications of control substances. This is not only good for the environment, but also for the budget as it results in lower material and labor costs.

Around the world, diseases carried by mosquitoes kill more people than any other single cause and although the annoyance factor created by these insects is what most people around here think about, those of us involved in control work are even more concerned with the potential for the spread of these diseases; most importantly in this area: Eastern Equine Encephalitis (EEE). In New England there have been several outbreaks of this debilitating and frequently fatal disease (55% mortality rate in human cases), most notably in 1973 when a significant epidemic occurred in the southeastern part of New

Hampshire. Most recently, in September of 1980, there were two confirmed cases resulting in the deaths of horses, one in Brentwood, and one in Exeter, while a Kingston man contracted the disease and fortunately, later recovered. Additionally, there are several other common, less severe viral diseases that have been linked to transmission by mosquitoes. The point being, that Mosquito control is important, and deserves your continued support, for health reasons as well as for the reduction of the well known annoyance factor.

Our plans for 1981 remain such as they were for last year. With Mr. Boucher as our supervisor, we will once again be working with Exeter and Newfields, and will be out tackling the freshwater breeding areas in the early spring. We believe that we are giving the taxpayers of Hampton Falls good value for their mosquito control dollars, and as in the past, we ask for your continued support in the year ahead.

ROCKINGHAM CHILD AND FAMILY SERVICES

1980 Fact Sheet

Rockingham Child and Family Services is a private, non-profit agency with programs to promote and preserve wholesome family life. We are a social work agency offering counseling services to families, individuals, and groups concerning family problems. Since the Agency's birth in January of 1976, it has served over 3,000 area residents and provided over 9,000 hours of professional, confidential counseling services. No other agency in Rockingham County can match the quality of counseling expertise which we offer. Our services are provided by staff members having earned Master's and Post Master's degrees in the relevant field and working experience up to twenty years. In addition to our one part-time and two full-time therapists, Dr. Rowen Hockstedler, a practicing psychiatrist from Newburyport, Massachusetts, is a consultant to our staff. We maintain professional communication with the Exeter Clinic, Doctors in Private Practice, Juvenile Departments, Probation Departments, school guidance Departments, and many other professionals to further broaden our capacity. Because we are a private agency, we are able to maintain a confidentiality of records.

A noted local psychiatrist once described our agency as providing services for the "worried well." We offer help with difficulties when a member of the family is affected with problems which impair use of emotional, cultural, educational, social and physical development and functioning, or where there is conflict between children and parents or their peers, or between adult members of the family. The Agency offers couples who are in conflict, services that enable them to work toward resolving their conflicts. We work towards preventing further deterioration and helping the family establish stability. The object of these services is to strengthen family life and enable individuals and families to develop capacities for handling their problems with greater understanding and effectiveness. We strive not only to relieve personal and social stresses, but to try and help prevent the development of even more serious problems. Assistance in securing and utilizing resources not available in the Agency, such as medical and/or psychological evaluation, appropriate school facilities, and job or residential placement, is provided.

The following information should be clearly understood as these facts are specific to this year's request for funds.

(1) We are asking minimum support from 26 towns, based on the actual number of service hours given to the residents of each individual town.

(2) Our request is based on a twelve month period, July 1, 1979 through June 30, 1980 inclusive, our fiscal year. NOTE: We are not approximating services which the residents of your town may use in the future, but rather we are asking your contribution of a designated amount resulting from services already rendered. These funds will then be used to enable us to continue to provide our services.

(3) During fiscal year 1979-1980 our sliding fee scale ranged from \$4.00 to \$35.00 an hour, per unit of counseling service. NOTE: Even with the inflation that has taken place, we have not increased our rates from the previous year. We serve anyone in the County who requests help, regardless of their ability to pay. NOTE: It is the difference between what your residents were able to pay and the actual value of services used that is the basis of our request to you.

(4) We have appealed to the County for funds to the extent of \$10,000. This sum is to be applied generally as a match towards a contract with the N.H. Division of Welfare for services rendered to them. No one served under this program is included in our request to the Town.

(5) We are asking you to help with the cost of services provided to the residents of your town who have all contributed something, but who were unable to pay full fees for our services. We are not asking that you absorb total cost of services for residents who have paid nothing, nor are we requesting assistance for individuals who have paid full fees.

(6) Finally, it should be recognized that many of these residents who have or are receiving our services, without the services would have experienced broken home situations and other unfavorable trauma which no doubt would be costing your town more through welfare and other areas of town responsibility. The dollars given to our agency provide that needed place for a local family to turn to in their moment of crisis.

THANK YOU.

**MINUTES - HAMPTON FALLS SCHOOL DISTRICT
ANNUAL MEETING
March 5, 1980**

The meeting was opened at 7:30 p.m. by the Moderator Richard Bohm. Mr. Bohm called for the salute to the flag and it was given by those assembled. The warrant was then read by the Moderator and he made the following rules:

1. Once an article taken up in the budget or in the warrant is finished, no further action may be taken on it with the exception of one reconsideration in case of error or misunderstanding.

2. There will be a limit of 2 amendments to any article or any motion or part of a specific article.

3. Any lengthy motion shall be submitted to the Moderator in writing.

4. The chair will recognize first a sponsor of any article or item in the warrant.

Chairperson Warren Kinsman made a motion that the District vote to allow the Superintendent of Schools, his staff and the Principal of the Lincoln Akerman School to speak or answer questions during this meeting. Seconded by Charlyn Brown. Passed.

Article 1 - Budget

The budget was read line by line by the members of the School Board. Mrs. Brown stated that the only accounts they were not comfortable with was the oil and electricity accounts. Due to current trends she was hesitant to say that there would not be a deficit in those accounts. The increase in the site improvement account was due to, Mrs. Brown explained, improvements that must be made to the playground area, front lawn area and the island in front of the school.

Warren Kinsman moved that the District raise and appropriate the sum of \$491,269 for the support of schools, for the salaries of School Officials and Agents, and for the payment of statutory obligations of the District. Seconded by Charlyn Brown. Passed.

Article II - Reports

Warren Kinsman moved that the reports of Agents, Auditors, Committees, and Officers be accepted as printed in the Annual School District Report. Seconded by Charlyn Brown. Passed.

Article III - Other Business

The moderator called for any other business that might come before the meeting. None was forthcoming.

Francis Ferreira moved that the meeting be adjourned. Seconded by Betty Merrill. Passed.

The moderator called the meeting adjourned at 7:59 p.m. Twenty-four persons were in attendance.

A true report of the meeting

To the Citizens of Hampton Falls:

I submit, herewith, my Annual Report for your School District.

The themes I am following in writing District Reports this year are the relationship between students and parents and the economy.

A new phrase has caught my ear and I would like to use it in discussing you, your children, and the ensuing relationship. The phrase is "centering down".

"Centering down" to me means a placing of one's interest in a central focus, a separating of the important and the not so important, mentally reducing things to a discernible entity.

To "center down" in regard to our children is to me a putting into focus what we are here for. Children exist because we as parents want them. They are here because we have made a commitment.

The commitment may be listening to a first grader's chatter about what she had for lunch at school or it may be standing in a cold wind watching a son playing soccer. For that time one is "centering down" on his youngster and in so doing is helping him develop toward one's expectations.

I am often asked by a parent what can be done to help a student having trouble in reading. I am tempted to say the best moments to help have gone by. Sometime probably during the second year a bedtime ritual of reading should have been established. One hundred and one nights of reading the same Dr. Seuss episode may be tedious except for the knowledge that one is "centering down".

Have you "centered down" by climbing into a tent formed by the kitchen chairs and an old blanket?

Have you "centered down" by agreeing to putting up with what goes with a puppy?

Have you "centered down" as a grandparent?

Nobody can "center down" for a child like a parent or a grandparent can. The school, the town recreation league, and the television are not poor substitutes in that they aren't even substitutes.

The problem of time in "centering down" with offspring is compounded by the economy. To have a good paying job often means travel and a ten or eleven hour day. In many families to try to survive on one paycheck is unrealistic and a second

family member has to be away from the nest. Not only is together time diminished but the spinoff effects of the working world such as frustration, anxiety, and guilt lead to the further separation of the family fiber.

An inflationary economy hurts us all. It is not a question of getting a raise to be able to enjoy a better standard of living. Rather it is a struggle with the grocery store, oil supplier, money lending institution and seemingly everyone else we have financial transactions with. We have to fight to maintain what we have. Few are able to do it.

I shudder when I price a textbook the same way you do every time you pull a box of cereal off the shelf in the supermarket. I am apprehensive about every electric bill for our schools. I peruse fuel oil bills with the same feeling of frustration I have when I pull up to a gasoline pump.

I wish I could tell you that your School District has found the answer, that here in Hampton Falls we are going to turn the economy of the country in a favorable direction.

Such is not to be. I will continue to spend a great deal of time with your Board members and your Principal and we can soften the impact but in the final analysis, the cost of operating the Lincoln Akerman Elementary School will be affected by the inflationary spiral.

Thank you to all who participate in the process we call public education at Lincoln Akerman. Although it is too seldom said, your efforts are appreciated.

Respectfully submitted,
Richard C. Hamilton, Ed. D.

HAMPTON FALLS SCHOOL DISTRICT LETTER OF TRANSMITTAL

To the Members of the School Board
Hampton Falls School District
Hampton Falls, New Hampshire

We have examined the financial statements of the various funds and group of accounts of the Hampton Falls School District for the fiscal year ended June 30, 1980, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As is the practice with many municipalities in the State, the Hampton Falls School District has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the various funds and group of accounts of the Hampton Falls School District at June 30, 1980, and the results of operations and the changes in fund balances of such funds for the year then ended in conformity with generally accepted accounting principles applied in a basis consistent with that of the preceding year.

The accompanying supplemental information and the column on the accompanying financial statements captioned "Totals, Memorandum Only" are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data. The supplemental information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements listed in the foregoing table of contents and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.
